- Use previous steps to download and open a magazine

- Use the arrows on the far **Left & Right** of your screen to navigate between pages

Troubleshooting

What happened to Zinio?

Zinio has been rebranded as RBdigital. If you had a Zinio account your details will be the same when using RBdigital, however if using a Apple or Android device you will need to download the new RBdigital app.

I can't remember my login details or password for Zinio / RBdigital

Use the Forgot Password / PIN function on the RBdigital site. If this still does not work contact staff at Griffith City Library on 02 69628300

Do I need to return downloaded magazines?

eMagazines do not have an expiry or return date. It is however recommended that you return magazines you have finished with so that your tablet / device does not become too full.

Can I see old titles of magazines?

Yes it is possible to view old titles. When viewing the screen for a magazine title you can click on VIEW ALL TITLES
